

# EXHIBIT 5

**CERTIFICATION IN SUPPORT OF LEAD PLAINTIFF MOTION FOR  
SECURITIES CLASS ACTION**

I, Pavel Pogodin, hereby certify that the following is true and correct to the best of my knowledge, information, and belief:

1. On June 8, 2020, I executed my certification that was previously filed in this case. I understood at that time, and still understand, that my certification is under penalty of perjury and has the force and effect of being sworn. I understand that another party seeking appointment as lead plaintiff has raised an argument about my certification. Accordingly, in an abundance of caution, I am executing this supplemental certification.
2. I have reviewed the complaint filed herein (the “Complaint”), and have authorized the filing of a lead plaintiff motion on Token Fund I LLC’s behalf.
3. The sole controlling member of Token Fund I LLC did not purchase the security at issue in the Complaint at the direction of my counsel or in order to participate in any private action arising under the Securities Act of 1933 (the “Securities Act”) or the Securities Exchange Act of 1934 (the “Exchange Act”).
4. Token Fund I LLC is willing to serve as a representative party on behalf of the class (the “Class”) as defined in the Complaint, including providing testimony at deposition and trial, if necessary.
5. During the class period, as defined in the Complaint, the sole member of Token Fund I LLC purchased the unregistered security EOS on both Binance and Bitfinex. On June 5, 2020, the sole member of Token Fund I LLC assigned any and all of his present and former holdings in a number of digital tokens, including EOS, to Token Fund I LLC. This assignment included associated cryptocurrency exchange accounts, cryptocurrency wallets as well as any and all claims, causes of action and demands in relation to his investment in these digital tokens and his prior and current investments in the digital tokens.
6. Attached as Appendix A is a true and accurate listing of the EOS transactions that occurred on Binance.
7. The cryptocurrency exchange Bitfinex has refused to provide access to the relevant trading activity for Token Fund I LLC’s EOS purchases. However, the documentation available to Token Fund I LLC shows that between January 1, 2018 and June 29, 2018, a total of 85,685 EOS were purchased on Bitfinex. These tokens were later sold in their entirety for a substantial loss. A conservative estimate of the amount lost on these trades is \$300,000.
8. During the three-year period preceding the date of this Certification, Token Fund I LLC has not sought to serve as a representative party on behalf of a class in any private action arising under the Securities Act or the Exchange Act.

9. Token Fund I LLC will not accept any payment for serving as a representative party on behalf of the Class beyond my pro rata share of any possible recovery, except for an award, as ordered by the court, for reasonable costs and expenses (including lost wages) directly relating to my representation of the Class.
10. Token Fund I LLC understands that executing this Certification is not a prerequisite to participation in this Class Action as members of the Class.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on June 22, 2020.

Pavel Pogodin  
Authorized Agent for Token  
Fund I LLC
